

# CONFIDENCE CAMP PACKAGE

Our four-week Confidence Camp is fun for dogs of all ages, and provides a variety of wins for both you and your dog.

During confidence camp, we will introduce you and your dog to the 3 Cs - Calm, Confidence and Connection:

**CALM** – We can teach our dogs calm behaviours and help them deal with frustration.

**CONFIDENCE** – We can teach new experiences safely and without fear and give our dogs the tools to make good choices in new situations.

**CONNECTION** – This will teach your dog that you “have their back” and are their point of safety and security.

The package includes 4 x 60 minute sessions which are tailored to you and your dog’s needs.
