

JUNIOR CLUB PACKAGE

Our eight-week Junior Club Package builds on the positive foundations of Puppy Life Skills and is suitable for dogs aged six months or over.

Junior Club is designed to reinforce good learned behaviours and navigate through your dog's "teen" years from roughly 10 months to two years.

This is an important time in your dog's life and ongoing training will ensure you both succeed.

Junior Club will delve deeper into topics such as:

Social skills and appropriate play

Re-focussing on guardian/handler

Reinforcing calm behaviour

The package includes 8 x 60 minute sessions which are tailored to you and your dog's needs.
