

MATURE STUDENT PACKAGE

Our six-week Mature Student Package is designed to keep your older dog's mind active.

Like humans, older animals are also prone to memory loss and dementia.

Suitable for dogs aged seven years and over, our Mature Student Package will provide:

Cognitive exercises

Puzzle solving activities

Brain stimulation

This is an important time in your dog's life and ongoing training will ensure your dog continues to live a happy and healthy life into their senior years.

The package includes 6 x 60 minute sessions which are tailored to you and your dog's needs.
