

PUPPY LIFE SKILLS PACKAGE

Our six-week Puppy Life Skills Package provides a variety of games and exercises to increase confidence and resilience.

Some of the life skills you and your puppy will learn include:

-  Reading how your puppy is feeling in any given situation
-  Communicating with your puppy in a positive way
-  Toilet training and other unwanted behaviours
-  Important skills and strategies for your puppy to stay safe
-  Building a solid relationship between your puppy and your family
-  Basic cues, games and walking on a lead

The package includes 6 x 60 minute sessions. The first session is conducted without your puppy so that we can introduce you to our training methods and what to expect.
